TRENCHERMAN'S

GUIDE

# COVID-19

We would like to reassure our customers that we will be taking the following precautionary measures to ensure the safety of our customers and staff, whilst trying to limit the impact these have on people's experience of dining at Puro:

- Please scan our NHS Test and trace QR Code by the front door.
- You will be asked to use hand sanitiser on arrival.
- Please wear a face mask at all times other than when sat at your table.
- You may be asked to wait in the entrance hall if another party has just arrived or is leaving.
- Our coat hooks will not be in use so we please ask that you take your coat to the table.
- Tables will be spaced/positioned in line with current Government guidance. There are no screens between tables, but the majority are positioned so that customers are back to back with adjacent tables.
- Unfortunately the seating in the bar area will not be in use and we ask that customers do not stand at the bar.
- Our staff will be wearing face coverings in line with current government guidelines, and will also adjust the way they serve you in order to limit close contact. They will wash their hands at regular intervals.
- All payments will be taken at the table and payment by card is preferred.
- As it is not possible for us to operate a one-way system we ask that customers use their common sense when entering and exiting the restaurant, and using the toilet facilities.

THANK YOU FOR DOING YOUR PART
